All speakers must disclose to the audience any proprietary, financial or other personal interest of any nature or kind, in any product, service, source and/or company, or in any firm beneficially associated therewith that will be discussed or considered during their presentation. The Herman Ostrow School of Dentistry of USC does not view the existence of these interests or uses as implying bias or decreasing the value to participants. The Herman Ostrow School of Dentistry of USC, along with ADA CERP, feels that this disclosure is important to the participants to form their own judgment about each presentation.

Casey Chen, BDS, PhD, DDS (USA)
Dr. Chen is Professor and Chair of the Division of Periodontology, Diagnostic Sciences & Dental Hygiene at the Herman Ostrow School of Dentistry of USC. He graduated from the National Taiwan Univ. with a degree of BDS, obtained a certificate in Periodontology from the Univ. of Pittsburgh, a Ph.D. in Oral Biology from the State Univ. of New York at Buffalo, and a dental degree from Loma Linda Univ. He has more than 60 publications in peer-reviewed journals, and is a past member of the editorial board of the Journal of Dental Research. Dr. Chen serves as reviewer of NIH and journals in microbiology, dentistry and infectious diseases.
Topic: Microbiological and clinical assessment and management of periodontal and peri-implant diseases

Edward Lynch, BDentSc, MA, PhD (UK)
Professor Lynch is the Head of Dental Education and Research at Warwick University. He has been elected the most influential person in UK Dentistry in April 2010 by his peers. Prof. Lynch has over 500 publications. He is a Consultant to the ADA, a spokesperson for the BDA, a Scientific board member of the International Health Care Foundation and ISBOR. Prof. Lynch is on the editorial board of numerous International Journals, and will be the incoming President of GORG.
Topic: Rationale for the use of ozonated water in ultrasonic periodontal therapy

Lynn D. Terracciano-Mortilla, RDH (USA)
Ms. Mortilla is a graduate of the dental hygiene program at the State Univ. of New York. She has been involved with the International Congress of Oral Implantologists (ICOI) for 15 years and is the Executive Director of their auxiliary section, the Association of Dental Implant Auxiliaries (ADIA). Lynn has focused her work with the ADIA on world wide implant education for auxiliaries via certification programs. She is fellow of ADIA and member of ICOI’s Board of Directors. Lynn is an adjunct clinical instructor at Temple Univ. Dept of Periodontics and Implants, is a member of the implant preceptorship educational faculty at the Univ. of Texas in San Antonio, and lectures and publishes internationally.
Topic: Advanced concepts in risk assessment, evaluation & care of dental Implants

Ilan Rotstein, DDS (USA)
Dr. Rotstein is Professor and Chair of the Division of Endodontics, Oral & Maxillofacial Surgery and Orthodontics and Associate Dean of Continuing Education at the Ostrow School of Dentistry of USC. He has been Chair of the Research Committee of the International Federation of Endodontic Associations (1995 - 2010) and past member of the Research and Scientific Affairs Committee of the American Association of Endodontists. Dr. Rotstein published more than 100 papers and textbook chapters in the dental literature and has lectured extensively nationally and internationally in more than 20 countries.
Topic: The endo-perio continuum
