925 W. 34th Street, Room 201J
Los Angeles, CA 90089

Saturday, January 30, 2016
Lecture: 8:00am - 2:30pm
Hands-On Workshop: 3:00pm - 5:30pm
Speakers:
Kenneth Lee, DDS
Diane Melrose, RDH, BS, MA
Raymond Melrose, DDS, FACP
Alon Frydman, DDS
Speakers

Alon Frydman, DDS
Dr. Frydman is an Assistant Professor of Clinical Dentistry in the Division of Periodontology, Diagnostic Sciences and Dental Hygiene and the Division of Restorative Sciences at the Herman Ostrow School of Dentistry of USC. Dr. Frydman received his dental degree from UCLA and graduated from the Advanced Periodontology Program at USC, where he has since been a faculty member. Dr. Frydman teaches courses in treatment planning and implant therapy for both Advanced Periodontology residents as well as dental students. He lectures nationally and is a Diplomate of the American Board of Periodontology as well as an examiner for the American Board of Periodontology, and is a member of the American Academy of Periodontology. Dr. Frydman's research and publications focus on implant dentistry as well as periodontal diseases in immunocompromised populations.

Lecture: Dental Implants: Intention vs. Invention

Diane Melrose, RDH, BS, MA
Diane is clinical professor and chair of the Department of Dental Hygiene at the Herman Ostrow School of Dentistry of USC. She has lectured across the United States and abroad and has published extensively on patient education, the disabled patient, and oral hygiene therapy. She has also set up preventive patient education programs for dental offices, hospitals, institutions, and universities.

Lecture: RDH in Multidisciplinary Team

Raymond J. Melrose, DDS, FACD
Emeritus Professor University of Southern California, Oral Pathology Assoc., Inc

Lecture: Update on Oral HPV Infection and Changes in How We View Oral Cancer

Michaela Nguyen, RDH, MS
Michaela received her BS degree in dental hygiene at USC and MS degree in dental hygiene at UCSF dental school. She is the preclinical dental hygiene director and a senior clinical instructor at the Herman Ostrow School of Dentistry at USC. She has been an educator and practitioner for more than 17 years. Nguyen is co-author of the chapter on instrumentation in the fourth edition of Darby and Walsh’s Dental Hygiene Theory and Practice and a contributor for the journal, Dimensions in Dental Hygiene.

Hands-On Workshop: Ergonomics in Periodontal Instrumentation

Donna Smith, BSDH, MSEd
Donna is a full-time Associate Professor of Clinical Dentistry in the dental hygiene program at the Herman Ostrow School of Dentistry of USC. She graduated from USC with a BS in dental hygiene and MS in education. She has lectured across the United States and Abroad. She has been in private practice and education for 35 years.

Hands-On Workshop: Ergonomics in Periodontal Instrumentation

Kenneth K. Lee
Dr. Lee is a graduate of the University of Southern California School of Dentistry. He received his D.D.S. degree in 1989. He received his certificate in dental anesthesia from Loma Linda University Medical Center in 1990. He is currently an associate professor at the Ostrow School of Dentistry at U.S.C where he teaches I.V. sedation to dental students and the graduate periodontology residents. He is co-director of the parenteral moderate sedation course at USC. He has been appointed as an attending dental anesthesiologist for the dental anesthesia residency program at NYU. He is the co-director of One to One Anesthesia Seminars, an anesthesia training center for all dental providers performing IV sedation and/or general anesthesia. He is the owner and founder of Solis Surgical Arts Center, a multi specialty licensed surgery center in Tarzana, California, dedicated to the delivery of dental care under general anesthesia. At Solis, he maintains a private practice specializing in comprehensive dentistry under general anesthesia.

Lecture: Update on Pain and Anxiety Control
