Refunds are granted only if a written cancellation notification is received at least 14 days before the course. 50% of the tuition minus processing fee will be refunded if cancellation occurs within 7 days before this course. No refund is granted afterwards. A $60 fee is withheld for processing. For additional registrations, xerox this form and send.

Introduction

This symposium is a tribute to Dr. S. Sigmund Stahl and Dr. Fermin Carranza. It honors their contribution to Periodontics, bringing together an internationally renowned group of former students to highlight their lasting legacy to the specialty of Periodontics.

Schedule

A Tribute to Dr. Carranza
9:00 am  Dr. H. Takei
9:15am  Dr. F. Carranza
10:15am  Dr. P. Klokkevold
11:15am  Dr. T. Han

A Tribute to Dr. Stahl
1:00pm  Dr. H. Freed
1:15pm  Dr. S. Stahl
2:15pm  Dr. D. Shanelec
3:15pm  Dr. A. Charles
4:15pm  Dr. H. Slavkin

This symposium is a cooperative effort between USC and UCLA periodontal alumni.

USC School of Dentistry is an ADA CERP and AGD recognized provider.
A symposium honoring Dr. Fermin Carranza and Dr. S. Sigmund Stahl
An internationally renowned group of former students highlight their contributions and lasting legacy to Periodontics.

Henry H. Takei, DDS, MS
Dr. Takei is a Professor of Periodontics at UCLA and past Director of the Post Doctoral Program in Periodontics. Dr. Takei is also a Consultant in Periodontics to the Veterans Administration Hospital in Los Angeles. As a faculty member at UCLA, he has been selected as Outstanding Professor by eight graduating classes and received the Alpha Omega Educator Award in 1975. UCLA Alumni Association recognized Dr. Takei as the Honorary Alumnus of 1998. He was also honored by Marquette University in 2001 as their Distinguished “Alumnus of the Year”. The American Academy of Periodontology has honored Dr. Takei with the “Master Clinician Award,” in 2006.

**Topic:** A Tribute to Fermin Carranza: Personal Recollection and Introduction

Fermin A. Carranza, DDS
Dr. Carranza is Professor Emeritus of Periodontology at the University of California, Los Angeles. He graduated from the University of Buenos Aires School of Dentistry, in Buenos Aires, Argentina, in 1948, and completed his postdoctoral training in Periodontics at Tufts University School of Dental Medicine, in Boston, MA, in 1952. Dr. Carranza was Head of the Department of Periodontics at the University of Buenos Aires from 1966 to 1974 and at the University of California, Los Angeles, from 1974 until his retirement in 1994. In 1976 he started the postdoctoral program in Periodontology at UCLA.

**Topic:** Periodontology - Past, Present, and Future

Perry R. Klokkevold, DDS, MS
Dr. Klokkevold is currently an Associate Professor in the Division of Associated Specialties, Section of Periodontics at UCLA. He is a Diplomate of the American Board of Periodontology and is currently the Director of Postgraduate Periodontics at UCLA. Dr. Klokkevold previously served as Director of Hospital Dentistry and the UCLA GPR program. He received his DDS degree from UCSF School of Dentistry in 1986. His post-doctoral clinical training includes a General Practice Residency in Hospital Dentistry, a Postgraduate Periodontal Residency and a Surgical Implant Fellowship at the UCLA School of Dentistry.

**Topic:** Decision-Making from Extraction to Implant

Thomas J. Han, DDS, MS
Dr. Han received his dental degree from UCLA in 1982. He completed his graduate periodontal education and his Master of Science Degree also at UCLA in 1984. Dr. Han has been active in dental education both as a lecturer but also administratively in creating an active teaching institute in Los Angeles. He has lectured nationally and internationally on both periodontal and implant therapy. Dr. Han is a contributor to the classic periodontal textbook “Clinical Periodontology”, 9th and 10th Editions and has also published in major journals.

**Topic:** Soft and Hard Tissue Management for Esthetic Implant Dentistry

Harvey Freed, DDS
Dr. Freed graduated from USC School of Dentistry in 1966 and completed his periodontal training in 1972. He is a past faculty member at UCLA and USC, and is present faculty of Graduate Periodontics program at VA Westwood. Dr. Freed is past-president of the Western Society of Periodontology, California Society of Periodontists, and Present Trustee of American Academy of Periodontology.

**Topic:** A Tribute to Dr. S. Sigmund Stahl: Personal Recollections and Introduction

S. Sigmund Stahl, DDS, MS
Dr. Stahl received his dental degree from the University of Minnesota in 1947 and his master degree in histopathology from the University of Illinois in 1950. He was a founding Chair of Advanced Studies in Periodontics at USC School of Dentistry. Dr. Stahl also served as Associate Dean for Academic Affairs at NYU School of Dentistry, and has taught in Nova SouthEastern University. He is the past chair of the American Board of Periodontology and past president of the American Academy of Periodontology.

**Topic:** The Adaptability of Periodontal Tissues

Dennis A. Shanelec, DDS
Dr. Shanelec has practiced periodontics for over thirty years. He pioneered periodontal microsurgery and has lectured and published on minimal invasive implant and periodontal therapy. Recognized as an authority on magnification in periodontics and microsurgery, he founded the Microsurgery Training Institute in Santa Barbara. Dr. Shanelec is a past-president of the California Society of Periodontists. He received his DDS from UCLA and his periodontal training from USC.

**Topic:** Implant Microsurgery: A New Paradigm for Dentistry

Allan Charles, DDS
Dr. Allan Charles received his D.D.S from the University of Illinois and certificate in periodontics from the University of Southern California. He is in private practice limited to periodontics in Pasadena, California with an emphasis on periodontal cosmetic surgery, periodontal microsurgery and the surgical placement of implants. He has used magnification beginning over 20 years ago before committing to use of the surgical microscope for over ten years. He has taught periodontal microsurgery classes for the American Academy of Periodontology, the California Society of Periodontists, the American Dental Association and at the Greater New York Dental Meeting.

**Topic:** MIMOSE Procedure: The Minimally Invasive Mechanical Osteotomy Sinus Elevation

Harold C. Slavkin, DDS
Dr. Slavkin is the G. Donald and Marian James Montgomery Professor of Dentistry and Dean of USC School of Dentistry. From 1995 - 2000 he served as the Director of the National Institute of Craniofacial and Dental Research (NIDCR) of the National Institutes of Health. He is a Fellow of the American Association for the Advancement of Science and is a Member of the Institute of Medicine and National Academy of Sciences. He is Past-President of the American Association for Dental Research and has received honorary doctorate degrees from the Univ. of Maryland, Univ. of Paris, Univ. of Connecticut, Univ. of New Jersey, Univ. of Montreal and Georgetown University.

**Topic:** Anticipating the Future
