The More You Learn, The More You Earn!
Take any 3 CE courses between January and December 2016 and receive another course for FREE.

Herman Ostrow School of Dentistry of USC
Saturday, March 12, 2016
9:00 am - 5:00 pm

★ Life-Long Tradition and Excellence ★
This bone graft course will feature a combined one-day scientific lecture and hands-on workshop. The course will focus primarily on the principles of guided bone regeneration in implant dentistry and on the most up-to-date techniques in bone grafting to improve long-term clinical success with dental implants. This course is designed for the clinician that has prior implant experience and would like to broaden his/her knowledge and scope of practice and improve surgical skill.

Synopsis

- Biologic basis of bone regeneration
- Criteria for patient selection
- Step-by-step surgical procedure
- Properties of barrier membranes
- Selection of biomaterials
- Biologic modifiers and their relationship to bone regeneration
- Flap design for optimal esthetic and predictability
- Guided bone regeneration in various post-extraction defects
- Guided bone regeneration for simultaneous implant placement - “the Esthetic Contour Graft”
- Guided bone regeneration for vertical ridge augmentation
- Proper use of screws in the “screw tent-pole grafting” technique
- All aspects of the post-operative management
- Recognition and management complications associated with guided bone regeneration

Upon Completion Participants Should Be Able To Know:

All speakers must disclose to the audience any proprietary, financial or other personal interest of any nature or kind, in any product, service, source and/or company, or in any firm beneficially associated therewith that will be discussed or considered during their presentation. The Herman Ostrow School of Dentistry of USC does not view the existence of these interests or uses as implying bias or decreasing the value to participants. The Herman Ostrow School of Dentistry of USC, along with ADA CERP, feels that this disclosure is important for the participants to form their own judgment about each presentation.
