Faculty

Anna M. Pattison, RDH, MS
Anna received her BS Degree in Dental Hygiene from USC in 1967 and her MS in Dental Hygiene from Columbia University the following year. She was an Associate Professor and former Chair of the Department of Dental Hygiene at USC. Mrs. Pattison is the co-author of the textbook Periodontal Instrumentation and has contributed to the last five editions of Carranzas (previously Glickman’s) Clinical Periodontology.

Donna Smith, BSDH, MSEd
Donna is a full-time Associate Professor of Clinical Dentistry in the dental hygiene program at the Herman Ostrow School of Dentistry of USC. She graduated from USC with a BS in dental hygiene and MS in education. She has lectured across the United States and abroad. She has been in private practice and education for 35 years.

Gayle Myers, RDH, BS
Gayle has been a clinician in periodontal practices since she received her BS in dental hygiene from USC in 1981. She developed the techniques for interpretation of dental endoscope images. Currently she continues to practice, lecture, publish articles, and train clinicians in the clinical applications of the dental endoscope. She is a participant in several clinical trails as well as the basic science research in dental endoscopy.

Participants are cautioned about the potential risks of using limited knowledge when integrating new techniques into your practice. All speakers must disclose to the audience any proprietary, financial or other personal interest of any nature or kind, in any product, service, source and/or company, or in any firm beneficially associated therewith that will be discussed or considered during their presentation. The Herman Ostrow School of Dentistry of USC does not view the existence of these interests or uses as implying bias or decreasing the value to participants. The Herman Ostrow School of Dentistry of USC, along with ADA CERP feels that this disclosure is important for the participants to form their own judgment about each presentation.

University of Southern California Herman Ostrow School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.
