Speakers
Jose-Luis Ruiz, DDS, FAGD
Dr. Ruiz is Course Director of the USC Esthetic Dentistry Continuum. Clinical instructor at USC School of Dentistry, Associate Instructor with Dr. Christensen, Christiane at the UA, and an independent evaluator of dental products for CRA. Dr. Ruiz lectures nationally and internationally and has published many papers on restorative and esthetic dentistry.
Abdi Sameni, DDS
Dr. Sameni is a Clinical Instructor of restorative dentistry at USC School of Dentistry and Past-President and Co-Founder of the Westside Dental Academy. Dr. Sameni lectures regularly on topics related to interdisciplinary dentistry as well as on digital photography and its applications in dentistry. He maintains a private practice in West Los Angeles with an emphasis on restorative dentistry, implant reconstruction and esthetic dentistry.
Harel Simon, DMD
Dr. Simon is a Clinical Assistant Professor at the University of Southern California. He obtained his DMD degree from the Hebrew University, Jerusalem, Israel in 1991 and his specialty certificate in advanced prosthodontics from UCLA School of Dentistry in 2003. He has conducted research, published and lectured nationally and internationally on esthetics and implant prosthodontics.
Ziv Simon, DDS, MSc
Dr. Simon is a Clinical Assistant Professor at USC School of Dentistry. He obtained his dental degree and bachelor of Medical Sciences degree from the University of Tel Aviv where he held a teaching position in the department of prosthodontics. He has completed a specialty program in prosthodontics and obtained his Master of Science degree at the University of Toronto.

Homayoun Zadeh, DDS, PhD
Associate Professor at the University of Southern California School of Dentistry, has completed his advanced clinical education in Periodontology and earned a PhD degree in immunology from the University of Connecticut. He has an extensive publication track record and has served as external reviewer for several scientific journals.
