This is a ongoing series of topics, hands-on simulation, and discussion intended for the dentist already employing moderate sedation in their practice. Course content is structured on subject matter review, recognition and management of complications, and introducing new concepts into an already established dental practice utilizing moderate sedation.

**Topics to be covered:**
- Pharmacology related to sedation
- Monitoring
- Physiology
- Emergency management and complications
- ACLS (if enough participants need to have a recertification course)
- Case review, presentation, and panel discussion

**This course is intended for:**
- Dentists, Dental Hygienists, Dental Assistants
- Practitioners and their support staff who have been utilizing parenteral and enteral moderate sedation in their dental practices. Those practitioners seeking initial certification in moderate sedation may use the continuing education credit from this course towards required hours needed to complete the USC Parenteral Moderate Sedation certification course.

* Must be completed within a certain amount of time (certain states have limitations on the time elapsed between didactics and live patient demonstration completion. Check your state board regulations.

**Registration Fee:**
Before/After March 15, 2018
- $495/$575 per day; $895/$965 for both days
