7 Hours of Continuing Education Per Day

Registration Fees

Before April 1, 2008

Dentist: $4,295 (Full Course)

Module I (April 24 – 27, 2008)

Dentist: $1,395

Module II (May 30 – June 1, 2008)

Dentist: $1,895

Module III (July 11 – 13, 2008)

Dentist: $1,995

Auxiliary: $110 per day

Refunds are granted only if a written cancellation notification is received at least 21 days before the course. 50% of the tuition minus processing fee will be refunded if cancellation occurs within 14 days before the course. No refund is granted afterwards. A $60 fee is withheld for processing. For additional registrations, xerox this form and send.

For your convenience this course is divided into 3 Modules. We encourage you to take all three modules so you can benefit fully from this continuum. You may also take each module separately and enjoy the program that best fits your educational needs.

Looking forward to seeing you in this course.

Jose-Luis Ruiz DDS, FAGD

Course Director

In this 10-day interactive course you will:

• Learn how to use the “Dento-facial Diagnosis system” to achieve consistently beautiful smiles, not just beautiful teeth.
• Understand and manage occlusion to enhance esthetic success
• Use articulator and face bow to obtain excellent occlusal records
• Know how to communicate porcelain color and anatomy to the laboratory
• Carry out treatment plan and perform aesthetic porcelain veneers, using the right porcelain, bonding system and cement
• Perform a smile design
• Understand and perform posterior all-porcelain restorations
• Learn and perform layering techniques for esthetic and functional anterior and posterior composites
• Learn how to inspire your team and your patients for esthetic dentistry
• Know the latest on periodontal plastic surgery and esthetic implant placement

Experience over 30 hours of hands-on participation in the state-of-the-art USC Simulator Laboratory

USC Esthetic Dentistry Continuum 2008 is a comprehensive state-of-the-art series of seminars and hands-on workshops specially designed to advance the knowledge and skills of the 21st century dental practitioners and their team in the art and science of Esthetic Dentistry. World-renowned specialists will share with you their professional secrets and expertise in order to take your practice to the next level of excellence ensuring complete oral health and esthetics.

Testimonials:

• Dr. Ruiz is cutting edge and passionate. All lectures and workshops provided useful information which was easy to follow. Well done!
• Speakers are outstanding, very approachable.
• This has been an exceptional experience. The instructors are so dedicated. I would like to take it again next year.
